

Greetings!

As a proud, independent distributor of Mia Bella's Cleaner Burning Gourmet Candles, I am thrilled to offer Bella Horse Rescue with an avenue to raise much needed funds with an ongoing fundraiser.

For each 16 oz jar you purchase, Bella Horse Rescue will receive \$5.00. The cost of each jar is \$20.00. That includes shipping and handling, or delivery should you live within close proximity to me.

Why Mia Bella Candles?

Mia Bella's use quality fragrances infused throughout the entire candle, so you get the same incredible fragrance from the top to the bottom.

Mia Bella's Cleaner Burning Gourmet Candles are made using a proprietary formula of vegetables and other natural, renewable products. This allows our candles to burn practically soot free. Plus, if you spill it, you can clean it up with hot soapy water.

Once you experience a Mia Bella Candle you will **KNOW** why scented candle customers worldwide are calling it the ***Best Performing, Cleanest Burning Scented Candle in the world!***

The following order form lists our top 10 best selling scents. We offer nearly 100 fragrances, so if you don't see your favorite scent listed, please contact me at marygracegabriel@gmail.com or 516-409-6510. If we carry the scent or scents you are looking for, I will order it, or them, for you.

Please feel free to share this with your family, friends, and coworkers. You will be helping a great cause, and you can rest assured you are offering them a superior product.

I have burned candles for years, but have never burned a candle like a Mia Bella. I know you will be pleasantly surprised at the quality, the burn time, and how clean our double wicked candles burn.

Should you wish to reorder at any time, you may. All you need to do is write Bella Horse Rescue in the subject line of your check or money order and Bella Horse Rescue will once again receive \$5.00 for each jar you purchase.

Thank you for supporting Bella Horse Rescue!

Warmly,
